

3

- Step 1: Input a, b
- Step 2: Calculate Addition = $a + b$
- Step 3: Calculate Subtraction = $a - b$
- Step 4: Calculate Multiplication = $a * b$
- Step 5: Calculate Division = a / b
- Step 6: Print Addition
- Step 7: Print Subtraction
- Step 8: Print Multiplication
- Step 9: Print Division
- Step 10: Stop
